

Route 360 and Route 624 (Newland Road) Intersection Improvements Richmond County Notice of Willingness

Find out about a proposed intersection improvement project at Route 360 (Richmond Road) and Route 624 (Newland Road) in Richmond County.

This project seeks to enhance safety at the intersection by reducing the number of conflict points, or locations where vehicle paths may cross at intersecting roadways.

The proposed design would close the existing crossover on Route 360 west of Newland Road. At the existing crossover at the intersection of Route 360 and Newland Road, signage would be installed to prohibit left turns from westbound Route 360. A right turn lane would be added on Route 360 westbound at Newland Road. Also, a new crossover would be added on Route 360 east of Newland Road for westbound Route 360 traffic to make a U-turn and travel eastbound.

For more information on this project, and to view a display of the proposed design, visit the project page online at the Virginia Department of Transportation (VDOT) website: <https://www.virginiadot.org/Route360andRoute624Intersection>
